Cake Consultations Information

The Cakelicious Bakery will be pleased to schedule a cake consultation and/ or cake tasting for you. Please, give us a call to schedule your cake tasting as no cake tastings will be performed on walk-in basis. Cake tastings costs are \$ 5.00 per person but you do not lose your money. The cake tasting costs will be applied to your cake order in case you book your cake with us. You are entitled of four cake flavors with your tasting. Please, take your time and make your selection carefully before calling us. Choose the cake flavors and matching cake fillings if that it's the case. Give us at least a month to schedule your consultation. In case you are out of time and did not schedule your tasting in time, we encourage you to call us and place an order of cupcakes. If you must cancel your consultation, be courteous and inform us ahead of the time, please. Our cake consultants will be honored to assist you with your cake order.

Terms

- Please be on time to your scheduled appointment time.
- The Cake Design on duty will attend the consultation.
- Delivery options will be discussed during your consultation.
- We are not a nut-free environment.
- Cake pricing is determined by type of cake, number of guests and/or cake design.
- 25 % of the total bill will be needed to book your cake at the end of your consultation.

The remaining 75% is due 2 weeks before your event.

- The Cakelicious Bakery reserves the right to reschedule appointments.
- Please remember to bring any other material that can be used to design your custom cake, such as, sketches, magazine clippings, pictures of other cakes, color swatches...

We are working hard to make sure your experience with us is as best as possible. We receive a high load of emails daily and we will get back with you as soon as possible. In most cases, you will receive a replay from us within 24 hours; however, replays can take up to 48 business hours.

If you need to place a last minute order, calling us is always the best way.
